Dear Joe:

I should be delighted to see [] I know of him and if he could get to Washington it would be most useful because I have quite a number of people here who would like to talk with him. Naturally we would be delighted to get a report of his experiences of the trip.

STAT

I expect to be here practically constantly between now and the 19th of March except for a long weekend over George Washington's birthday, and the sooner we could see him the better.

Possibly you could give me a call about this at your convenience.

Faithfully,
